

Hello!

I'm writing to request approval to attend the 2026 Rent Manager User Conference (RMUC.26) in San Antonio, Texas, taking place October 19-22, 2026.

RMUC.26 will include four days of seminars, hands-on Rent Manager training, and networking opportunities with more than 1,200 other property management professionals from across North America. The event offers a variety of different educational sessions that would allow me to tailor my experience to focus on \_\_\_\_\_ within the \_\_\_\_\_ industry.

By attending, I'll gain both strategic and technical knowledge that will help us improve efficiency, maximize our Rent Manager investment, and stay ahead of evolving industry trends. I'll also be able to connect one-on-one with other industry experts and Rent Manager employees. Building these kinds of relationships is an irreplaceable experience that can benefit our operation for years to come.
